

Castro Charges Naval Base in on Plotting

By HAROLD K. MILKS

HAVANA (AP)—Prime Minister Fidel Castro today charged U.S. authorities at Guantanamo Naval Base were "concocting with counter-revolutionary plotters in eastern Cuba."

Castro said eastern Cuban plotters are trying to make a revolution in Havana, where he was held on Jan. 1, a former captain in Castro's army who heads a rebel band in the Sierra Maestra.

Castro made the charge in an interview aboard a plane bringing him to Havana from eastern Cuba, where last week he directed a search for Beaton and his band.

Beaton escaped from prison in Havana, where he was held on charge of killing one of Castro's army officers. Beaton said the charge was a frameup.

Castro insisted U. S. military planes had been flying over the mountainous region where Beaton has taken refuge with a small group of followers.

Nevertheless, Castro declared that "problems between the United States and Cuba still can be solved," adding he personally is willing to talk with anyone in the interest of promoting understanding between the two countries.

He hedged from remarks made Sunday that relations could be improved if he had a private meeting with President Eisenhower or Secretary of State Christian A. Herter.

Castro insisted he was only answering in the affirmative a question put to him by another correspondent.

Asked if he was unwilling to discuss relations with Eisenhower or Herter, he replied: "I did not say that, but I want no misunderstanding of what I said."

Castro told correspondent Richard Bate of the Columbia Broadcasting System Sunday that such a meeting could result in better relations between the two countries.

Such a meeting also would mean a considerable boost in prestige for Castro and it seemed most unlikely Eisenhower would give the idea serious consideration after Castro's numerous bitter attacks on U.S. policy. Nor did it seem likely Herter would see the Cuban leader after all the harsh things Castro has said about the secretary of state.

Washington, State Department press officer Lincoln White brushed off Castro's suggestion. He said it was surprising to him that the suggestion was made to a pressman and not to U.S. Ambassador Philip Bonsal, whom Castro has not seen since Bonsal returned to Cuba March 20.

Castro, who has been leading a hunt for rebel guerrillas in the Sierra Maestra for the past 10 days, made the remark when he appeared at the mountain town of El Caney to help dedicate a rural school.

Industrial Bonds Upheld by Court

LITTLE ROCK (AP)—The Arkansas Supreme Court today upheld constitutionality of Act 9 of 1960 which authorizes cities and counties to issue tax free revenue bonds for industrial plants.

The ruling to which two justices dissented was delivered in a case which arose at Batesville whose residents voted a million dollar bond issue to build a plant for the Seiberling Rubber Co.

Act 9 was a key measure of last January's special legislative session called primarily to bolster Arkansas' industrialization program.

DeGaulle Takes Off on Tour

PARIS (AP)—President Charles de Gaulle took off for the new world today on a 14,000 mile trip to Canada, the United States, and French possessions in the West Indies.

The first stop is Ottawa for the beginning of a four-day Canadian visit. The 17-day trip, the longest foreign tour since he took power two years ago, will include stops at Quebec, Montreal, Toronto, Washington, New York, San Francisco and New Orleans.

It was a bright spring day and pleasant weather was forecast for the transatlantic flight.

De Gaulle's wife, Yvonne, Maurice Couve de Murville and other top government aides are accompanying the president.

Arriving in Ottawa tonight, De Gaulle will remain in Canada until Friday, when he flies to the United States for pre-summit talks with President Eisenhower and a week's visit.

Sentence of Death Is Set Aside

LITTLE ROCK (AP)—The Arkansas Supreme Court today set aside the death sentence of Edward Walton Jr., a Negro, who pleaded guilty to the robbery slaying of Roy T. Hallman, a 61-year-old white watchman at Ashdown.

The unanimous court said that the jury which received the plea of guilty to first degree murder was given an improper instruction.

The jury was told that the only question for it to consider was whether Walton should be sentenced to death or to life in prison. The law requires the high court said, that even though a defendant pleads guilty to first degree murder, the jury itself still must fix the degree of homicide.

"We may not ignore the statute by saying that it is technical or highly technical," Justice Jim Johnson wrote for the court.

Under the ruling Walton's case must be disposed of again in Little River Circuit Court.

Walton, 29, of Ashdown was charged with killing Hallman during a burglary June 20, 1959. The charges said he beat Hallman with a tire tool and then shot the watchman with his own pistol.

Newspapers Back in Publication

PORTLAND, Ore. (AP)—For the first time since the Portland newspaper strike began more than five months ago, the Oregonian and Oregon Journal have resumed separate publication.

The Journal moved back to its own plant Sunday and put out a 40 page Sunday afternoon and Monday morning edition. The Oregonian's morning editions carried 48 pages.

Both newspapers announced they were happy to be going it alone again, and planned to keep it that way.

The newspapers, as they have since the start of the strike, continued to publish mostly with non-union and supervisory help.

The strike began last Nov. 10 when the Stereotypers Union walked out in a dispute over terms of a proposed new contract.

Among the issues were a new type of casting machine which would require fewer men to operate, union membership for foremen and wages, hours and fringe benefits.

Don Sevier Resigns as Cage Coach

Don Sevier, head basketball and assistant football coach here for the past three years, has resigned to accept the head basketball coaching job at El Dorado High School. His resignation is effective at the end of the present school term.

Coach Sevier came to Hope from Arkansas Tech where he was an outstanding basketball and football player. During his three years here Hope basketball teams won the district title one time and came in third for two years. They went into the state tournament all three years.

In announcing his resignation Coach Sevier highly praised the athletic facilities of the local system and the complete cooperation of the players and fans.

"Everyone has treated me fine and it's hard to leave such a system as Hope has. But I feel like I can't afford not to take advantage of this advancement. El Dorado is one of the finest cities in Arkansas and has a good athletic program. Naturally, being a much larger school system it offers me more advantages. My wife and I sincerely have to leave Hope, as we have made many, many friends here." Coach Sevier said in praising the Bobcat Coaching staff, school officials, fans and the boys.

More Picketing of Two Stores at Little Rock

LITTLE ROCK (AP)—Nine Negroes picketed two Little Rock department stores today in a new protest against segregated lunch rooms.

The men, of college age, were led by Mrs. Daisy Bates, Arkansas head of the National Assn. for the Advancement of Colored People.

Five Negroes paraded at the Blass store; four at Pfeifers. Mrs. Bates carried a sign which said, "Don't Get Angry — Think." She marched for a few minutes with the group at Pfeifers and then rolled up her sign and began supervising the pickets.

It was the latest in a wave of Negro protests against lunch room segregation. Both Blass and Pfeifers had been picketed before.

Some of the Negro men, apparently students at Philander Smith College for Negroes, carried signs which said: "This Store Will Not Sell a Negro a 10-cent Coke," "We Want Freedom Today, Not Tomorrow," and "You Aims to be Free."

Williams to Seek Office of Governor

WALNUT RIDGE, Ark. (AP)—Dr. H. E. Williams, president of Southern Baptist college at Walnut Ridge, this week will become the third candidate for governor of Arkansas.

Williams' announcement has been mailed to weekly newspapers for release Thursday.

The 47-year-old educator plans to go to Little Rock Friday and pay his fee in formally filing for the Democratic nomination.

Gov. Orval E. Faubus seeks a fourth term and Atty. Gen. Bruce Bennett also has filed in the race. Williams has been considered a likely contender since late in February. He planned to make his decision last week but postponed it.

At first, Williams said he didn't want the announcement to be released before Thursday.

"Of course," he told a newspaper, "when you release something to 175 people (newspaper editors), I guess it is difficult to keep the word from getting out."

Williams founded Southern Baptist College in 1941 and has been president ever since.

The educator, who prefers use of his initials rather than his first names of Hubert Elberidge, was born in Casa, Perry County, Ark. His father, Robert S. Williams, was a farmer and served as a state representative from that county during World War I.

Williams is married and has three children.

Negro Youth Charged With Burglary

A 17 year old Negro escapee from the Boys Industrial School was arrested near Texarkana on Friday and charged with taking \$226 from an aged Negro man, Mack Daniels, near Spring Hill. Sheriff Jimmie Griffin said today.

The boy is listed as James H. Layton, 17, of Texarkana. According to Sheriff Griffin, Layton broke into the Daniels' home during the afternoon and waited until about 10 p.m. before coming down from the loft and getting the money from Daniels' clothing. He then went into Spring Hill, stole a bicycle, rode it to Hope and caught a bus to Texarkana.

He was arrested at Texarkana by Miller County officers. Over \$500 of the money was recovered but Layton had spent over \$100. He is in Hempstead County jail charged with burglary.

GATESVILLE, Tex. (AP)—Fifty-four of the 1,300 youths at the Gatesville Training School for Boys escaped Sunday and some overpowered a guard and stole his car.

Showdown Looms in South Africa, 400 Negroes Arrested

Greek Youth Has Chance to Stay Alive

NEW YORK (AP) — Skilled American surgeons, answering an appeal from a small voice in a far off land, today gave a 4-year-old Greek boy his chance to live.

The doctors performed a delicate 63-minute operation on the damaged heart of Stelaklis Parthenopoulos, who was flown to New York in an effort to save his life.

The boy's condition at the end of the operation was described as satisfactory. Dr. Aaron Gorelik, noted heart specialist, headed the medical team performing the operation.

"Thank God," she cried when told the surgery was complete.

Dr. Ralph E. Ricciardi, the chief anesthesiologist, said there were no major complications during the surgery. The operation started at 8:35 a.m. It was finished at 9:38 a.m.

The boy, son of poverty-stricken parents in a slum near Athens, arrived here last week in a flight arranged by Associated Press newsmen John O. D. Wallace.

Doctors said the boy has a heart defect that will mean early death if uncorrected.

His case came to light when he sent a letter through a Greek doctor to Wallace in New York pleading for a chance to live despite his poverty.

Wallace had been restored to health by a heart operation by Gorelik and Wallace's account of it was printed throughout the world.

Gorelik, Wallace and numerous others offered their time and services to bring the child here for treatment.

Schools Are Subject of DAR Meet

"The DAR Approved Schools" was the topic of Mrs. Arthur Wimmell's program at the meeting of the John Cain Chapter last week in the Green Room of the Diamond.

After discussing the contributions which the DAR makes to numerous approved schools, Mrs. Wimmell showed colored slides taken of "Tarnassee," the school owned and operated by the National Society of DAR. This school situated in the mountainous area of South Carolina, offers home economics, manual training, practical farming, and an academic education to over 400 children of this area who have not other access to a school.

During the business sessions plans were made for the May meeting of the chapter which will be held in the home of Mrs. Walter Keith of Stephens, Ark.

Armored Cars Used as Strike Boycott Called

JOHANNESBURG, South Africa (AP)—Police and troops, backed by eight armored cars, arrested 400 Negroes in a raid on the African township of Duncan outside East London today.

Police reported all quiet in Johannesburg and African townships surrounding the metropolis up to noon. Most stores were closed and the sunny streets were largely deserted.

Negroes employed in hotels and apartment houses appeared to be on the job, but many of these live in the buildings where they work or nearby. Their working was no indication of the sentiment of Africans in native townships.

In the first violence of the week, a group of Negroes attacked and seriously injured a Negro police sergeant on his way to work in Port Elizabeth. An attempt was made on another Negro policeman shortly after, but he resisted and escaped unharmed. Police arrested six Negro suspects.

The government mobilized all police forces throughout the nation for the first test of strength with the country's leading Negro political organization since it went underground.

Strung police patrols kept a watch on Negro settlements around major urban areas.

Hundreds of thousands of Negroes who work in the big cities and environs were caught in the political squeeze. The government warned anyone staying away from work faced loss of their jobs or even banishment to native reserves in the remote interior.

A failure of the work boycott would be interpreted as a setback for the ANC in its campaign to force an easing in the government's strict segregation policies and gain freedom for jailed Negro leaders.

Police offered protection to Negroes going to work and threatened sharp action against anyone trying to get them to stay home — either by persuasion or intimidation.

Most of the known ANC leaders have been jailed, but the thousands of strike pamphlets that flooded Johannesburg and other areas indicated effective underground machinery has been set up.

The Johannesburg Golden City Post, a Sunday paper for Negroes, said a large number of Africans had been arrested for distributing the stay-at-home leaflets.

Baseball Park Burns at Memphis

MEMPHIS (AP) — Towering flames raced with explosive speed through a baseball park Sunday night. They destroyed a city block of shops and scorched the walls of two hospitals.

A human chain of workers hastily passed 68 babies to safety and then evacuated the mothers from maternity wards as 100-foot-high flames charred City Hospital window frames and shattered big glass panes.

The hospitals, Red Cross workers, fire and police officials reported no serious injuries. Damage was estimated at about one million dollars.

There was no panic when Deputy Fire Chief J. D. Johnson warned the 14-story Baptist Hospital to prepare for evacuation and 200 patients were moved to inner halls during the crisis.

The Baptist Hospital lobby was a mess. Every ground floor window was out. Floors were cluttered with overturned furniture, fire hoses and glass.

James Hatmaker, a young City Hospital attendant, said they fire began in the left field grandstand and seemed to whirl through the stands.

When it reached the street it fanned right and left and enveloped a block of stores.

Leo Burton, president of the Memphis Chick of the Southern Assn., said damage to the park was half a million dollars, but it was estimated four or five million dollars would be required to replace it.

4 Negroes Attend a White Church

LITTLE ROCK (AP) — The appearance of four Negroes at Little Rock's White First Methodist Church for an Easter service yesterday apparently caused little surprise or confusion.

The Rev. Aubrey Walton, pastor of the church, said he first saw the Negroes sitting in the balcony when he stepped into the pulpit at the beginning of the service.

The Negro men identified themselves as Frank James and Olen Grant, students at Philander Smith College. They declined to identify two girls with them beyond saying they also attend the college.

James and Grant were among five students arrested in the first lunch counter sit-in here March 10. They were fined and 300 day jail sentences have been appealed.

Dr. Walton said Negroes have attended church functions in the past and that the church has no policy on admitting or refusing admittance to Negroes.

L. C. Bates, field representative of the National Assn. for the Advancement of Colored People in Arkansas, said the NAACP does not view church integration as a constitutional right. Instead, he said, it is considered a moral issue.

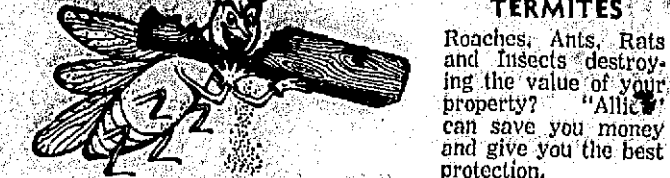

The Old Grey Mare
OKLAHOMA CITY (AP) — An old grey mare ran afoul of traffic laws Sunday.

The mare and two colts were sighted galloping the wrong way on a one-way downtown street. Motorcycle officers R. W. McKittick and J. D. Weaver gave chase. The errant animals finally were corralled by an old-fashioned road block. They were tethered in a parking lot.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to absorb hemorrhoids, stop itching and relieve pain without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that no scars were left.

14 Persons Meet Death by Violence
By THE ASSOCIATED PRESS

Fourteen persons died violently in Arkansas in the week ending at midnight yesterday.

Seven died in traffic accidents, three in shootings, two in construction accidents, and one each by stabbing and drowning.

Two teen-agers, Thompson DeWalt Wynn, 15 of Walnut Ridge, and Oakley Lawson, 17 of Sedgewick, were killed yesterday when their car overturned on Highway 63 about 14 miles west of Jonesboro.

Two Negro men, Iollie Hall, 43, and Milton Tatum, Jr., were slaying victims in El Dorado over the weekend. Hall was shot to death Saturday and Tatum was stabbed early yesterday. Two other Negroes were held by police in connection with the unrelated slayings.

Bonny White, 25, of Roland, was killed Saturday when his car went out of control on Highway 10 west of Little Rock overturned twice and crashed into a ditch.

DOROTHY DIX

Home in Up roar Every Pay Day.

Dear Dorothy Dix:

Things at our house are in an uproar. My husband takes \$20 a week out of his pay check and gives me the balance for bills. It is never enough. I get behind and didn't tell him that's why there's an uproar.

I got a job working nights and gave all but \$20 of my pay check toward the bills. I spent the \$20 on front-room curtains, china and so forth. My couch is full of holes, my sheets patched, my dining-room chairs past sitting on. Yet if I mention a sale in sheets he gripes. We get along fine till pay day. Yesterday (pay day) we really had hell — he started buying the groceries, says "I live higher than we can afford."

Honest, I love this guy but it hurts so deep! Yesterday (pay day), he said one of us was going to have to leave. I told him the front door was open. I thought of leaving home, thought of just killing myself but I can't leave our three sons. They're worth the hell I go through (just at pay day). They really love their daddy. Should I take them and leave or stay and fight it out? — Henri, Broken

Dear Heart-Broken: Obviously you love your husband and children so stay and work out your financial problems together. They are not insoluble. A course in family budgeting would help you both. Check with the Board of Education and the neighborhood bank. The Economics Division of the New York Public Library recommends two pamphlets for home study: "Quantity and Cost Budgets" compiled by the Heller Committee for Research in Social Economics and published by the University of California, Berkeley, California; and "A Discussion in Family Money — How Budgets Work and What They Do" published by the Women's Division, Institute of Life Insurance, 488 Madison Avenue, New York City. The latter is free. I've sent for them myself. We could all profit by budgeting.

Dear Dorothy Dix:

I go with a boy whose parents have a bad name. They are bootleggers. Unlike them, he is good. People told me he drank. He drank because nobody cared about him. He is 16; so am I. I knew him a long time but my parents would never let me go with him. They judged him by his parents, as does everybody else. All the boy needs is a chance and somebody to give him a little love. Should I keep going with him — his parents being like they are? — E.B.

Dear E.B.: You're tempting fate! Like father, like son is an axiom worth heeding. Your boy's friends' parents are breaking the law. Whether or not he helps in their bootlegging operations, he is an accessory to the fact and as such a lawbreaker, too. You, his girl friend, might also be involved.

If he loved you he wouldn't expose you to this very real danger. Tell him that unless his parents quit moonshining, it will have to be good-bye.

Dear Dorothy Dix:

I read in your column about the girl who could not talk to her mother. I am 16 and still not able to talk to my mother or anyone in the family. My sister is married young and Mother says that is why she won't tell me anything. I tried to talk to my grandmother. She only laughs and says I am not old enough to know the facts of life. You told this girl if she couldn't find someone to confide in that she could write to you. I wish you would help me with my problem. — D.B.

Dear D.B.: Ask your mother to give you "Facts of Life and Love for Teen-agers" by Evelyn Mills Duvall, or Maxine Davis' "Sex and the Adolescent." These two books will tell you what you want to know and may also enlighten her.

Send your problem to DOROTHY DIX. Be sure to enclose a stamped, self-addressed envelope, and address her in care of this newspaper.

Would Eliminate Veteran Hospitals
PINE BLUFF, Ark. (AP) — The Arkansas Medical Society's House of Delegates has endorsed a proposal to eliminate veteran Administration Hospitals.

The plan was approved by voice vote at a meeting yesterday. About 75 doctors were present at the meeting.

The proposal approved was received in a letter from the House of Delegates of a Maryland Medical group.

The letter said that "consideration should be given to (closing the VA hospitals over to the states, possibly as hospitals for tubercular patients."

The letter said that 65 per cent of more of cases cared for in VA hospitals are for non-service connected disabilities.

Kuenn Goes to Indians for Colavito

By DAVE DILES
Associated Press Sports Writer
DETROIT (AP) — The Detroit Tigers have parted with Harvey Kuenn, the American League's top hitter of 1959, to punt more long ball punch in their lineup.

And the Cleveland Indians have given up the league's co-home run king, Rocky Colavito, hoping to convert Kuenn's staid hitting into a pennant. The biggest star-for-star trade in years came off the eve of the American League's 1960 opening.

Many baseball fans were surprised Sunday when they learned President Bill Dewitt of the Tigers had persuaded General Manager Frank Lane of the Indians to give up the slugging Colavito in a straight player deal for Kuenn.

Colavito parked 42 homers last year and should do even better in Detroit's Briggs Stadium with its friendly left field wall. He had a .287 batting average compared

to Kuenn's title-winning .333. But Kuenn hit only nine homers.

"The home run is overrated," said Lane in explaining why he gave up one of the game's finest young power hitters for one of its more consistent hitters.

"I hated to let Rocky go, but I think our chances of winning the pennant are greater with a steady hitter like Kuenn in the lineup."

Lane had rejected the same deal just a few weeks ago.

Dewitt was delighted with his first major deal since becoming Tiger president.

The trade did not surprise Kuenn, who was told about it by Manager Jimmie Dykes in the Tigers' clubhouse at Lakeland, Fla.

"That's baseball," said Kuenn, who had played shortstop, then center field and finally right field for Detroit.

Giants Trade Pays Its First Real Dividend

By JOE REICHLER

Associated Press Sports Writer

San Francisco's major winter trade that sent outfielder Jackie Brandt to Baltimore for pitchers Billy O'Dell and Billy Loes has paid its first dividend of the infant National League season.

Loes the unpredictable was Loes the magnificent Sunday. The 30-year-old relief ace not only hurled three hitless and runless innings but singled in the bottom of the 14th and scored the run that gave the Giants a 4-3 triumph over the Chicago Cubs.

Third baseman Jimmy Davenport, whose late season injury was a big factor in the Giants' 1959 collapse, drove in the tie breaking run with a single off relief pitcher Ben Johnson.

The victory enabled the Giants to remain in a first place deadlock with the Los Angeles Dodgers. The defending champions defeated the St. Louis Cardinals 7-5 for their third consecutive victory. The defeat was the fifth for the winless Cards.

Milwaukee remained a half game behind the leaders, wallowing the Philadelphia Phillies 4-4 for its third success in four starts.

Pittsburgh jumped into fourth place by sweeping a doubleheader from Cincinnati. The Pirates won the opener 5-0 behind the four-hit pitching of Bob Friend, then came from behind, with a six run rally in the bottom of the ninth to nip the Reds 6-5 in the nightcap.

Loes was the fourth Giant pitcher, following Mike McCormick, Stu Miller and Jack Sanford. He took over in the 12th, retired six straight batters, then pitched himself out of trouble by getting pinch hitter Sammy Taylor with two runners on base in the top of the 14th.

Larry Sherry, star of the 1959 world series, won his first game of the season but he needed home run help from Gil Hodges, Duke Snider and Wally Moon. The right-hander also needed pitching help from Sandy Koufax, who stopped the Cards without a run in the last three innings. Stan Musial banged his first homer of the season for the Redbirds.

Eddie Mathews drove in three runs with a home run, triple and double to help right-hander Bob Buhl record his first victory of the season for the Braves. The homer was Mathews' 300th of his career. The 28-year-old slugger matched Jimmy Foxx as the youngest to hit that many homers.

Held to five harmless hits through eight runless innings of the second game, the Pirates exploded for six safeties in the bottom of the ninth to overcome a 5-0 deficit against Cincinnati.

When Pittsburgh came up for its last turn at bat, Red manager Fred Hutchinson replaced Raul Sanchez, with southpaw Bill Henry, the fine-relief pitcher Cincinnati acquired from the Cubs during the winter.

After retiring the first batter, Henry gave up singles to Smokey Burgess, Bill Virdon and Bill Mazeroski for one run. Hal Smith, a pinch hitter, then slammed a three-run homer, Ted Wileand got the second out but Dick Goat followed with a single and Bob Skinner climaxed the winning rally with a two-run homer.

"I hated to let Rocky go, but up his first victory in the opener, Roberto Clemente's two-run homer off loser Joe Nuxhall in the first inning was all the veteran right-hander needed."

Spa Service Is Cancelled Sunday

HOT SPRINGS, Ark. (AP)—The 26-year-old Hot Springs Easter sunrise service was cancelled yesterday for the first time in its history.

A heavy thunderstorm shortly before the 5:30 a.m. starting time forced the cancellation. A number of persons showed up at Hot Springs Mountain anyway.

Officials said no building was available for a sudden switch inside.

Hog Baseballers to Meet Loyola

NEW ORLEANS, La. (AP)—The

Arkansas Razorbacks, fresh from a final game victory in the Easter Invitational Baseball Tournament at Monroe, Langle with Loyola University here today and tomorrow.

The Porkers downed Northeast Louisiana 11-8 Saturday to finish with a 3-2 record in the tournament. Darrell Williams, Norman Revis and Pat Foster all blasted home runs.

Louisiana State and Mississippi State tied for the tournament title with 4-1 marks.

Arkansas centerfielder Lance Alworth was named to the all-tournament team.

The Hogs, now 13-4 for the season, meet Loyola in two games, then move to Baton Rouge Wednesday for a game with LSU.

Saturday Williams opened the game with a homer. Revis slammed a three-run round-tripper in the fourth and Foster's drive accounted for two runs in the seventh.

American Loop Officially Opens Today

By JOE REICHLER

Associated Press Sports Writer

Rumor's to the contrary, the American League does plan to play baseball this year.

As a matter of fact, Joe Cronin's circuit gets going today with its traditional opener in the nation's capital. President Eisenhower even interrupted his Georgia vacation to fly up to Washington to throw out the first ball in the game between the Senators and Boston Red Sox.

On Tuesday, exactly seven days after the National League raised the 1960 curtain, all teams will open a full-scale drive for the flag currently held by the Chicago White Sox. According to most of the experts and the betting geniuses, this figures to be a waste of effort by all but the White Sox, New York Yankees and Cleveland Indians.

Although probably aware that the Senators and Red Sox have been picked to finish eighth and seventh, respectively, some 28,000 hopefuls were to be present at Griffith Stadium to see the winner take over undisputed possession of first place.

Snead Wins Again at Greensboro

GREENSBORO, N. C. (AP)—

The incredible story of Sam Snead and the Greater Greensboro Open Golf Tournament continues.

The one-time Virginia hillbilly, who now plays out of a swank White Sulphur Springs, W. Va., resort club, has won here again — for the seventh time.

When Sam accepted the winner's \$2,800 check Sunday after

posting a 14 under par score for 72 holes it brought his Greensboro earnings to \$21,600 since he won the first tournament held here in 1938.

It boosted his official earnings in the three major tournaments he's played this year to \$9,325. He won at Bradenton, Fla., last month in his first outing, was tied for 11th in the Masters and won here.

Snead closed with a 68, two under par, by making birdies on the last two holes to give him a two-shot margin over Dow Finsterwald of Tequesta, Fla. Finsterwald finished with 68 to 272, worth \$1,900.

Snead fashioned rounds of 68-66-67-69 in breaking by one shot the tournament record for the 6,651-yard Starmouth Forest Country Club course set 15 years ago by Byron Nelson.

Don Whitl, of Barrejo Springs, Calif., closing with the day's best round, 66, was third at 277 to win \$1,400. Len Woodward of Sydney, Australia, was fourth at 278.

Former Oklahoma State pole vaulter Jim Graham vaulted 15 feet 3 3/4 inches for a record in that open event. He edged his former teammate, Aubrey Dooley, who held the old mark of 13 feet 7 inches. Razorback vaulters Alan Sugg and Jerry Hughes tied for fourth place in that event, vaulting 13 feet 6 inches each to break the Arkansas team record of 13 feet one inch held by Sugg.
